Re The continuance of a Special Revenue Inspector and a Peon for a further period of 3 months from 1-4-49 to end of June 1949 for collecting rent on the properties acquired for Straight Road Scheme in addition to the acquisition of S Nos

---

I have the honour to state that the Government were pleased to sanction the appointment of a Revenue Inspector and a peon for a period of six months in their Order No L 3620-3/Ml 13-48-16 dated 5th October 1948 for speeding up of the acquisition of survey numbers Most of the ~~survey nos under~~ acquisition proceedings are in an incomplete stage A statement showing the progress secured in acquiring the survey numbers is herewith enclosed for kind perusal

In addition to the above the Trust Board has acquired about 74 properties for Straight Road Scheme Out of the above properties rent is being realised on 34 properties The monthly demand of rent is about Rs 400/- and there is a sum of Rs 2,300/- outstanding recovery at the close of February 1949 The probable demand for the remaining 4 months will be about Rs.1,600/-, thus making a total demand of Rs 3,800/- to be collected before June 1949

At present this work is being attended to by a Suboverseer, and it is not possible for him to attend this in addition to his legitimate works The arrears are mostly from persons who have vacated buildings required for dismantling and they are residing in different Mohallas These arrears can be collected by coercive measures

Under Section 45 (2) of City Improvement Act, the arrears may be recovered by distraint and sale, by or under orders of the Chairman of the moveable properties of such persons, As defaulters reside in different Mohallas of the City and recovery of arrears from these persons required constant attention of a separate official This can be best done by a Revenue Inspector, who is well-versed in executing coercive measure for recovery
